

The Maz Mitrenko Band

“No nonsense rockin' blues and Americana from one of the UK's most respected three piece bands”

Now into their twelfth year since forming, The Maz Mitrenko Band has played hundreds of shows at venues and festivals all over the UK as well as two tours of the southern USA.

Their unique mix of original songs and not so obvious covers has gained them a place in the hearts of true music aficionados everywhere.

DO NOT ask them to play "Mustang Sally"
